

HECHI UNIVERSITY

International Student Programs

With a history of over 60 years, HCU has over 13,600 full-time students studying for both degrees and diplomas. Since its foundation in 1951, HCU has cultivated more than 100,000 talents for a variety of schools, governments and industries, etc.. Over the last 3 years, students have earned over 500 awards in various national and provincial competitions. With programs in economics, law, engineering, pedagogy, literature, history, science, management and art, HCU offers 48 majors for Chinese students and 3 programs for international students. Set in a picturesque landscape with convenient transportation, HCU is located in Yizhou, Guangxi, PRC, a city with a long history of over 2,100 years and a rich cultural legacy.

International programs available

- Business English (Bachelor degree)
- Electronic and Information Engineering (Bachelor degree)
- Chinese Language & Culture (one-year training program)

Campus and facilities

HCU has two adjacent campuses: the east and west. The total campus covers an area of over 40 hectares.

HCU has been improving its educational environment and building a beautiful, civilized, and harmonious garden-style university.

Currently, HCU boasts two (2) outdoor tracks with accompanying football fields, two (2) multi-court basketball areas, tennis courts, an indoor gymnasium, and other health and fitness areas across the campus. Students are welcome to participate in school-sponsored group sports and use all other fitness facilities during operating hours.

The HCU library is open from 7:00 a.m. to 11:30 p.m. for students to use for study and research and is equipped with WIFI throughout. Along with two large cafeterias on-campus, HCU has two small school stores that offer snacks, drinks, hygiene supplies and school supplies for purchase.

CAMPUS LIFE

HCU believes that social interaction is an important part of a student's life and ultimately improving the quality of their education. Students' societies are quite active. Undergraduates here enjoy a colorful campus life.
