

# **Application Guide for International Student Scholarship of Guizhou Normal University in 2021**

In order to encourage more outstanding international students to study and engage in scientific research in Guizhou Normal University, we hereby inform you the relevant information about the application instructions for International Student Scholarship of Guizhou Normal University in 2021.

## **1. International Student Scholarship Program**

### **(1) Independent Enrollment Program of Chinese Universities (*Chinese Government Scholarship*)**

The Ministry of Education of the People's Republic of China (MOE) has entrusted the National Scholarship Management Committee (CSC) to be responsible for the enrollment and management of scholarship students. Also CSC are responsible for providing the full amount of scholarships to the provincial education administrative departments of some provinces and autonomous regions, which could be partially used for selecting and recruiting outstanding young foreign students to study in China. At present, Guizhou Normal University is one of the institutions that undertakes the program of training Chinese government scholarship students including undergraduates, postgraduates and doctoral students. The discipline delivered covers science, economics, law, management, education, history, literature, philosophy, art and so on.

### **(2) Chinese Advanced Student Program of Guizhou Normal University (*Guizhou Normal University Scholarship*)**

According to the Chinese language level of the advanced students, this project is divided into three levels: primary, intermediate and advanced. It carries out intensive training in listening, speaking, reading and writing, and also, offers the advanced students HSK (level 4-5) guidance, Chinese traditional culture, Chinese architecture and other optional courses, aiming at comprehensively improving their Chinese language ability and the ability of cross-cultural comprehension and communication.

## **2. Eligibility**
